Buy a fitness package

Personal training, classes, tennis or swimming: buy your package straight from the Andorra Village app. Pick a programme, choose how many sessions you want, and pay in the app.

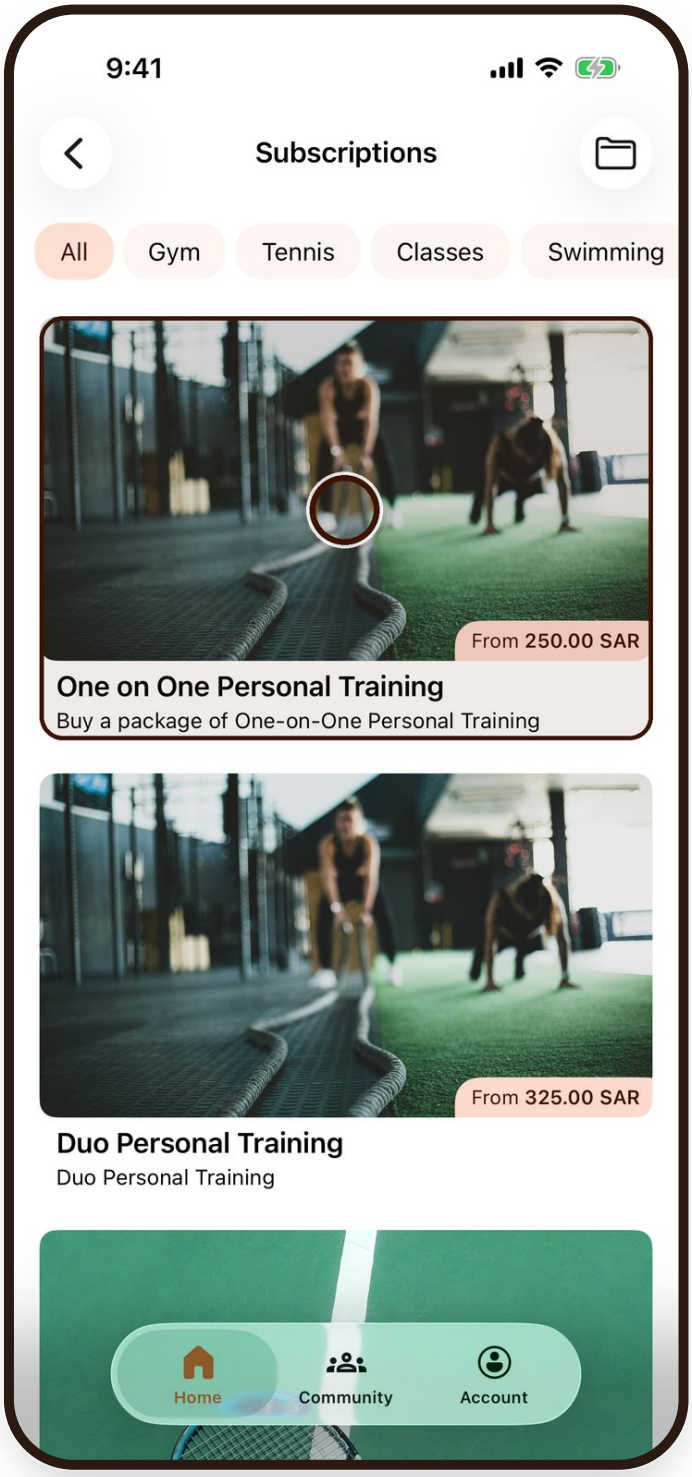

HOME

On the home screen, scroll down to Services and tap **Fitness Packages**.

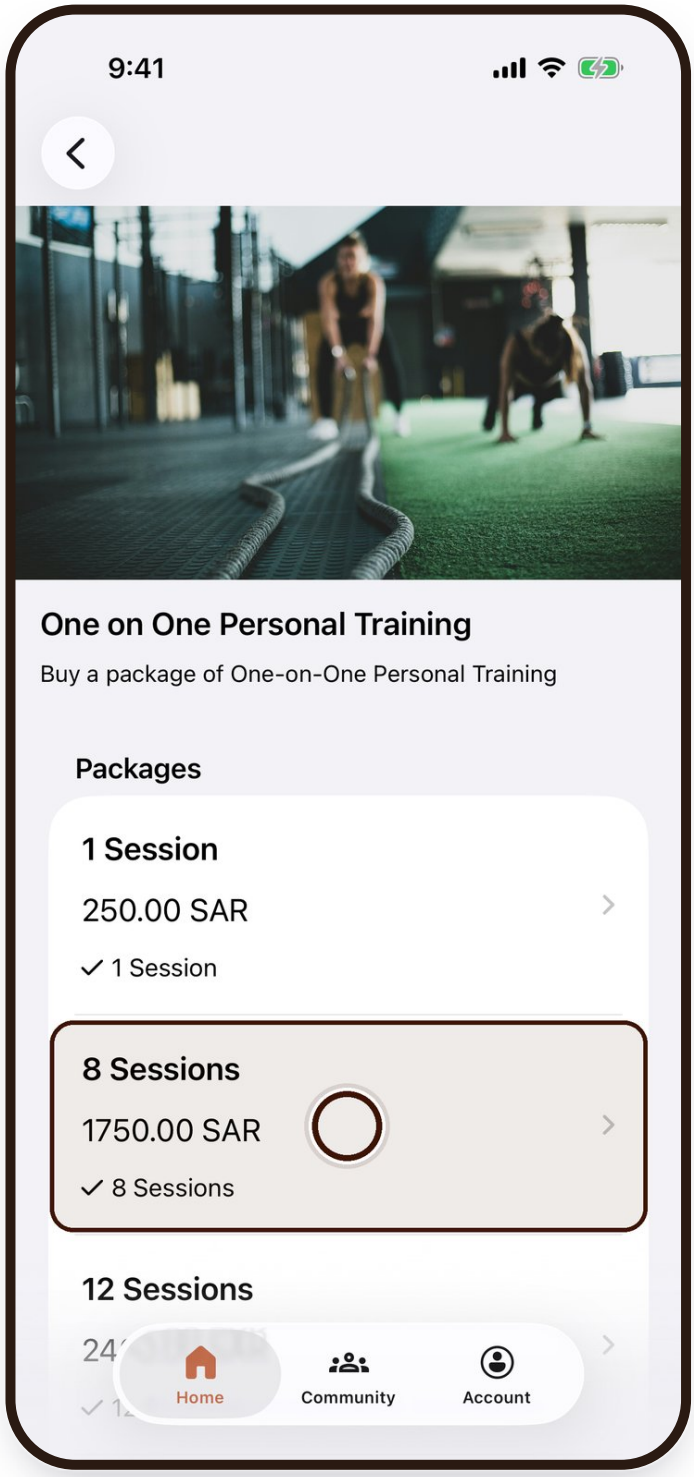

BROWSE

Use the tabs to filter by **Gym**, **Tennis**, **Classes** or **Swimming**, or stay on **All**.

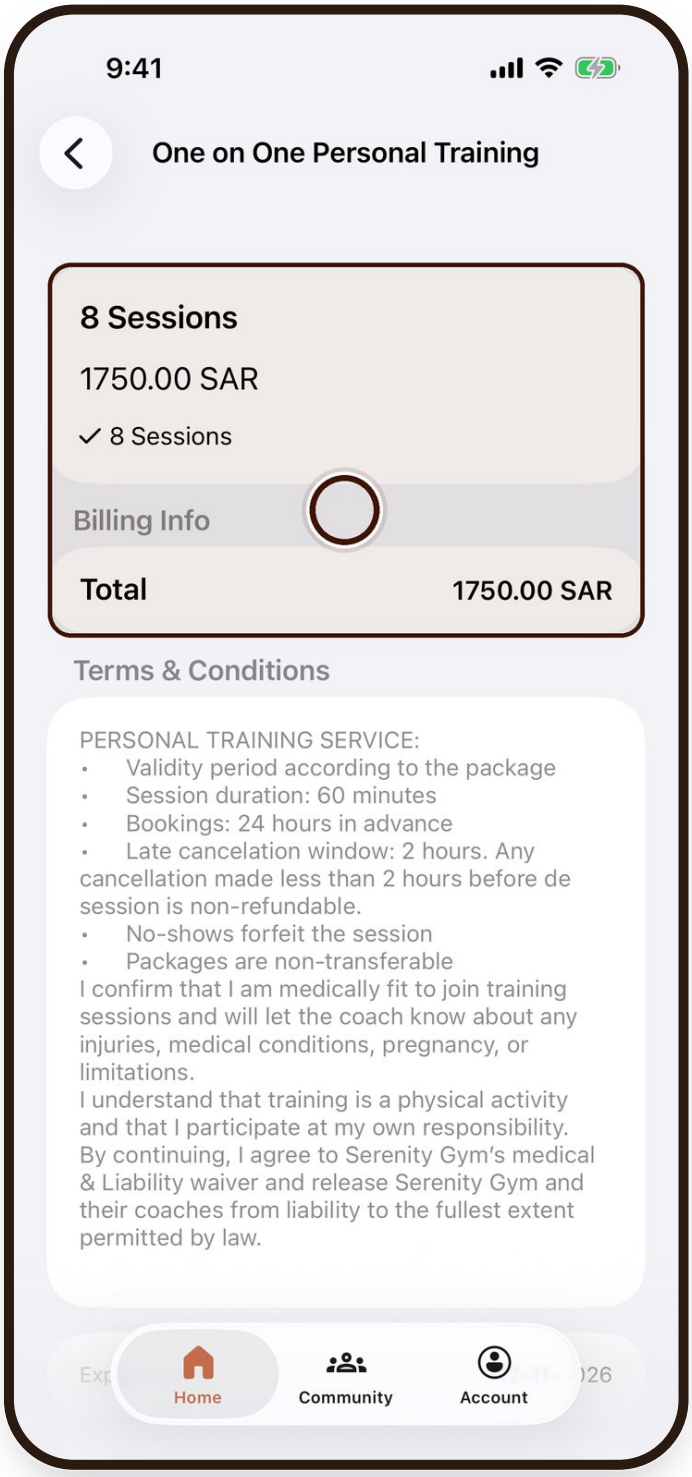

CHOOSE A PROGRAMME

Tap a programme, for example One on One Personal Training. The starting price is shown on each card.

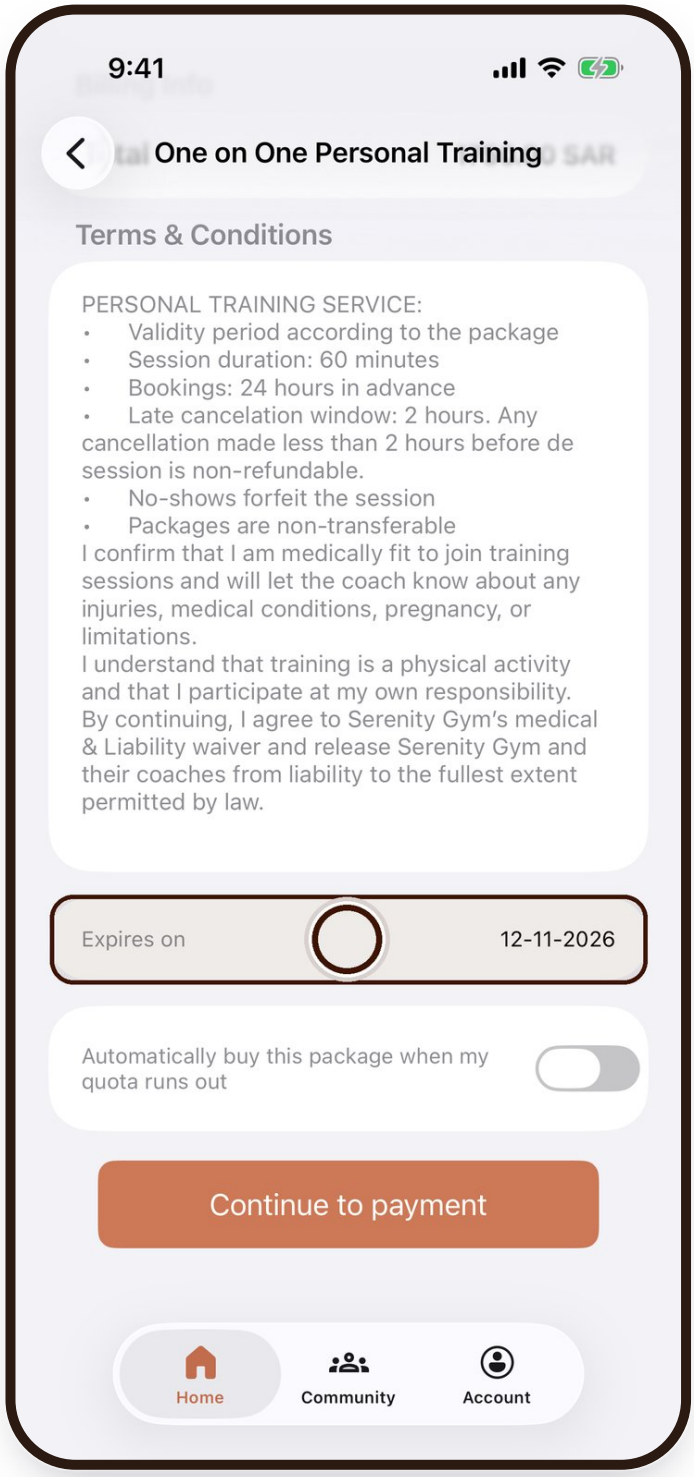

CHOOSE A PACKAGE

Pick the package that suits you, for example 8 Sessions. Each one shows its price.

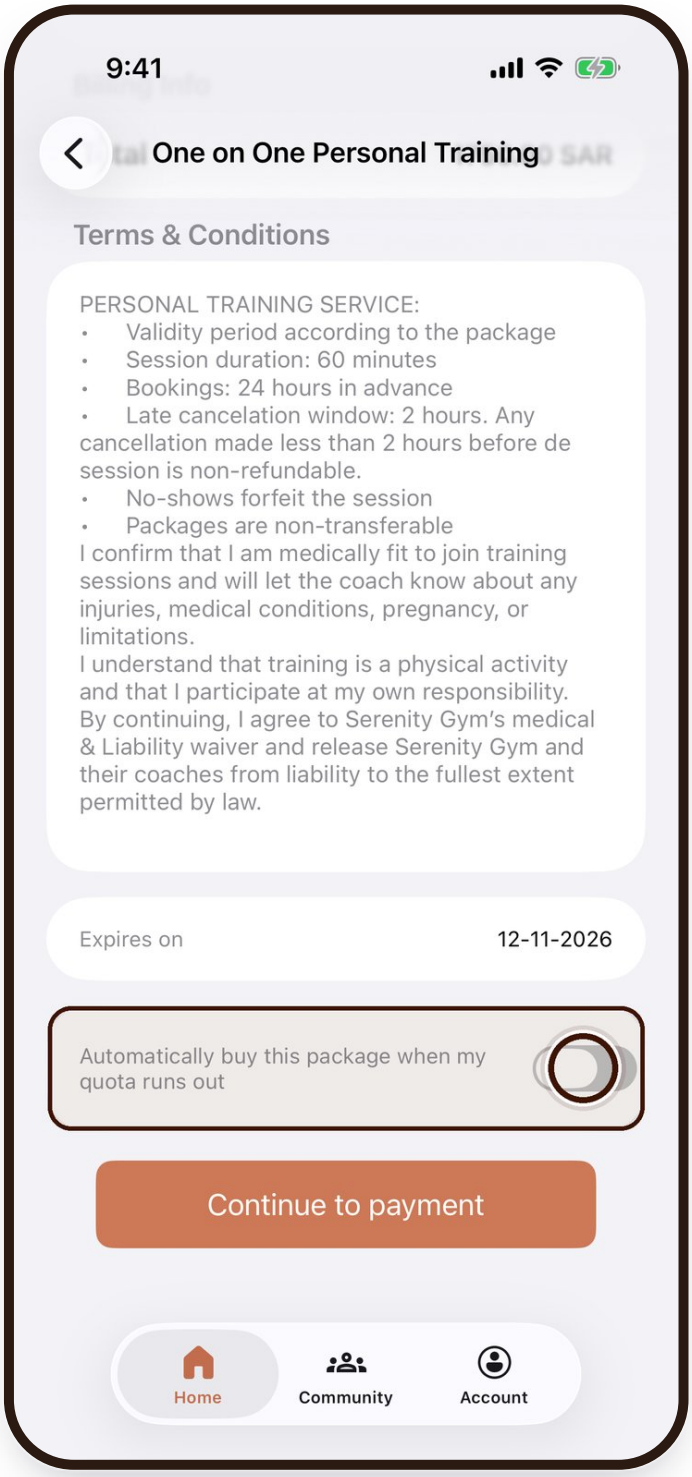

CHECK IT

Check your package and the total, and read the terms & conditions.

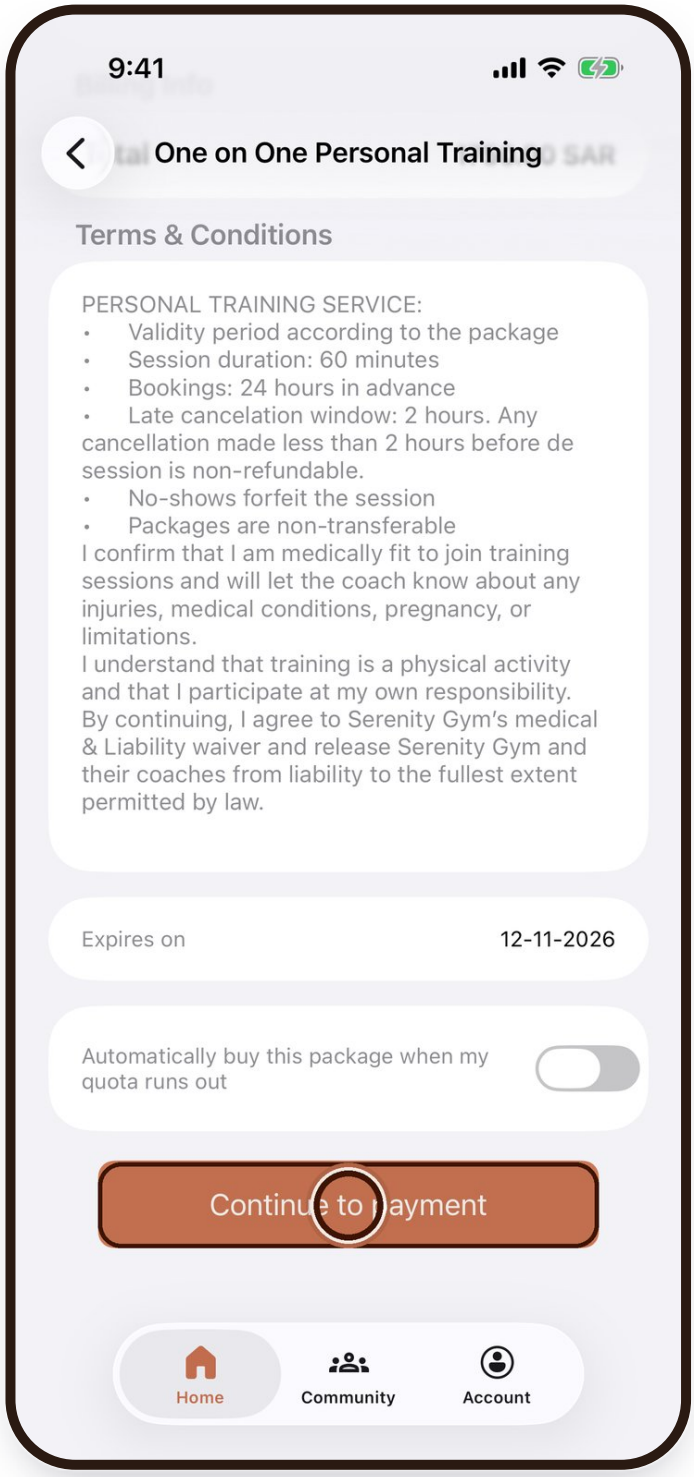

EXPIRY DATE

Expires on shows how long you have to use your sessions.

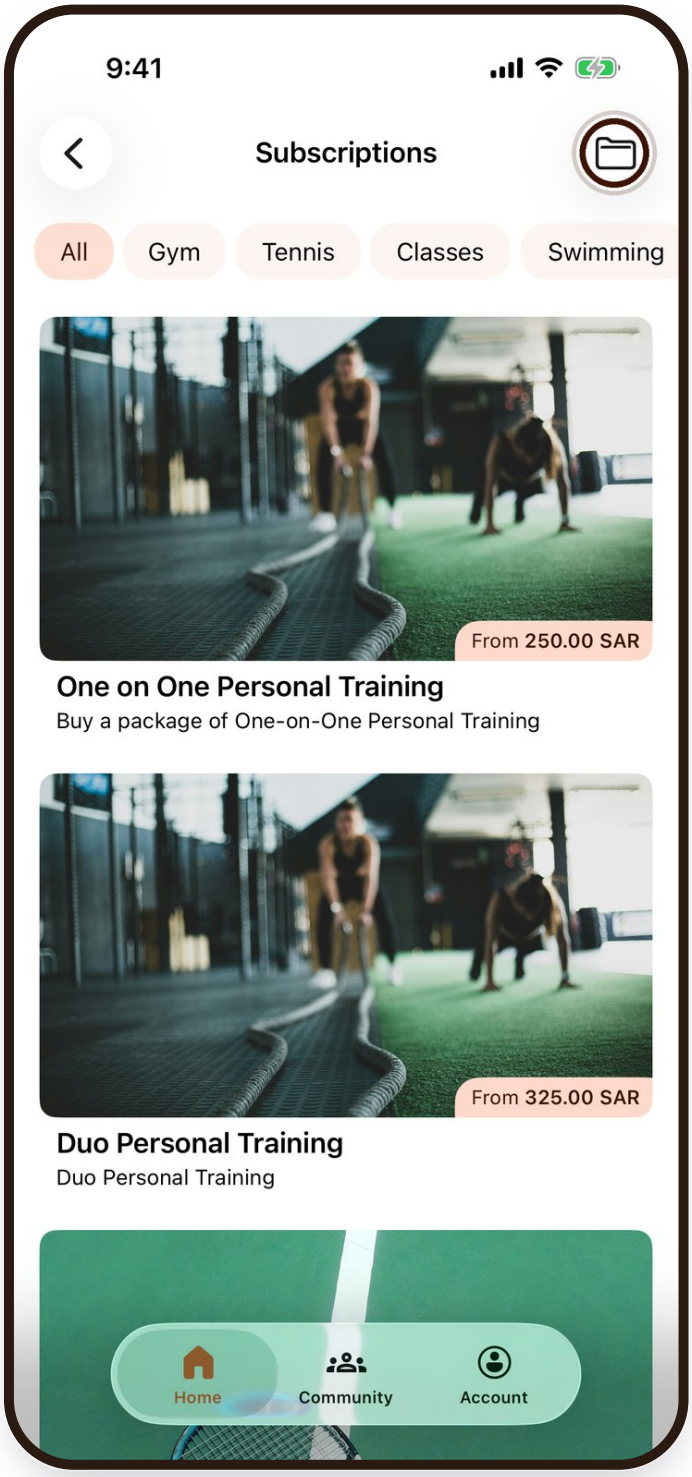

AUTO-RENEW

Optional: switch on **Automatically buy this package when my quota runs out** so you never run out of sessions.

PAY

Tap **Continue to payment** and complete the payment.

MY SUBSCRIPTIONS

To see the packages you've bought, tap the folder icon on the Subscriptions screen.

You're all set

Your package appears under **My Subscriptions**, ready to use.

Read the terms. Each programme has its own rules for booking, cancelling and no-shows.

Watch the expiry date. Use your sessions before the package expires.

Training regularly? Auto-renew buys the same package again when you've used it up.
